

Oracle: Obelisk of Ultimate Power

Area of Effect: The creature who touches it (up to four creatures may touch the Obelisk of Ultimate Power).

Avoidance-roll: None. See: "Explanation"

Charges: The Obelisk can be used but one time only per creature.

Command word(s): "I yield myself to thy power." See: "Explanation" (look at "INSCRIPTION").

Damage: If slain by the Obelisk of Ultimate Power, one cannot never be raised from the dead by a Healer, or even by the power of a Wish), for the one who uses this device willingly gives up all rights and privileges to life, should he or she be slain.

Duration: Permanent.

Effect time: Instant once activated.

Explanation: A playable race type will place his or her hands upon the Obelisk of Ultimate Power. When this is done the Obelisk will activate its power after you have mentally, and willingly, stated how many levels you wish to gain. Once you have thought, stated mentally, how many levels you wish to be increased. This Oracle will never work for any that do not willingly agree to the conditions inscribed upon the surface of the Obelisk itself. This is what is written:

INSCRIPTION:

Thou shalt use this Obelisk once only, and if it take thy life, thou shalt freely give it . . . forever. Swear that you agree, or power shall not be given thee . . . State the words, "I yield myself to thy power," and thou shalt be granted the use of this most terrible device.

Once you have activated the power of the Obelisk of Ultimate Power, there will be a 5% chance per level increased, that death will take you, and the Obelisk will swallow your body, mind and spirit forever. If the Obelisk does not kill you, you shall be granted your request.

Hand movement: Two hands must be placed upon the Obelisk's surface.

Healing: None.

History: Unknown.

Immunities: Only playable race types can use this Oracle.

Invoke time: Not applicable.

Maximum adjustment: +19 levels.

Notes: None.

Preparation: Upon the surface of the Obelisk of Ultimate Power, there appear to be hand prints. One must place one hand on one of the prints and then the other hand upon the other. Once this is done, the Obelisk will wait for your thoughts to center in on how many levels you wish to gain. Once you have thought, stated mentally, how many level you wish to be leveled up, your hands will seal upon the surface of the Oracle, forbidding you to withdraw from it. See: "Explanation"

Range: Touch.

Resting time: 72 hours. During the resting period, your damage-points will fall to one in all areas of your body, your movement will be cut to 1 space (5') per turn and no spells or abilities of any nature can be successfully cast or invoked. You must sleep for the full 72 hours before the resting time will begin and end.

Special: If you have the Divine Favor, "Essence of Eternity", there will only be a 3% chance per level increased, that death will take you (if you follow also the path of Fate, this terrible chance will diminish to 2% per level).

Susceptibilities: None.

Value: Priceless.
