

Organic Creature Studies

This study will give a basic knowledge of one Organic Class creature (not different types of Organics within a species).

Modification Point cost: 2

Information known about a specific Organic will be:

Characteristics (Awareness, Charisma, Constitution, Coordination, Dexterity, Intelligence, Mental-strength, Strength and Wisdom), Description, Dislikes, Disposition, Fears, Habits, Immunities, Life-Span, Likes, Needs, Special Abilities, Special Defenses, Special Offenses, Susceptibilities and Weapon Susceptibility.

Example:

If you chose Organic Creature Studies, and pick Saga Natur, you will know information about the Saga Natur only, not other types of living trees.

This ability can be purchased multiple times to have knowledge on many different types of organics.
