

# Plants, All (Fungi, Herb, Plant, Root, and Tree):

On most continents there will be a wide variety of plant life. Some of this vegetation is alive, as animals and people are. Most are just normal, inanimate as we see them in the world today. All fungi, plants and trees will not be rolled for as an encounter check. You must state to the G.M. that you wish to find a certain organic material in order to find it (unless the G.M. wishes to tell players that they have come across it). It will then be looked up and checked for in the region which you are journeying within. All plant life will be explained under the following heading, “Plants, Explanations of:”
