

Jewelry

Roll on the following chart to know the Jewelry piece found. Once you know what it is, be creative and make it unique by adding gems to it, or making the craftsmanship very unique. Then place a value on it as you like.

There are so many varieties of Jewelry, the most grand chart would not cover them all. Be creative and design the Jewelry found to your own tastes and likes. Then, simply set a value on each piece.

Have some real fun with this one!
