

# Enchanted Items, Explanation of: Hair Pin, Lock-Pick

Area of Effect: One lock.

Avoidance-roll: None.

Charges: Permanent item.

Command word(s): None.

Damage: None.

Duration: None.

Effect time: As thieving abilities.

Explanation: The Lock-Pick Hair Pin will aid a thief in picking all manner of locks. It is cleverly concealed, as it appears as a common hair-pin. If a non-thief attempts to pick a lock with this item, his or her DEXTERITY will be the % chance to do so (1/2 chance to pick a magical lock).

Hand movement: None.

Healing: None.

History: Unknown.

Immunities: Magical locks that require a key to open will negate the magic effects of the Lock-Pick Hair Pin (yet the magical defenses of the lock will also be negated and it will be as though attempting to pick a normal lock (G.M.s discretion on this one).

Invoke time: None.

Maximum adjustment: None.

Notes: None.

Preparation: None.

Range: One lock.

Resting time: None.

Special: None.

Susceptibilities: Thief will have the maximum chance to pick non-magical locks.

Value: 4,000 White-gold
