

# Potions, Explanation of: Twilight Slumber

**Area of Effect:** Imbiber.

**Avoidance-roll:** None.

**Doses:** 1

**Damage:** None.

**Duration:** 100 years.

**Effect time:** 24 hours. At the end of the 24 hours, you must go to sleep, or the effects of this potion will be wasted.

**Explanation:** You will slip into a catatonic slumber, not to be awoken for exactly 100 years. During the duration of this potion, you will slip into a dream world so real and vivid, you will think it real. Your former life, and all memories of that life will be veiled from you. You will have forgotten everything of your former life. However, this is only a dream, and will end in 100 years.

During the time you are under the effects of Twilight Slumber, the following will apply:

1. You will be 100% impervious to all mental, spiritual and physical influences (there is an exception to this – See: "Susceptibilities").
2. You will be encased in a blue, luminescent glow, which will cover you from head to toe.
3. You can be moved.

**Hand movement:** None.

**Healing:** None.

**History:** Unknown.

**Immunities:** Only creatures that can dream, and have a physical form, can be effected by the power of this potion.

**Invoke time:** Not applicable.

**Liquid color:** Green.

**Liquid texture:** Like water.

**Liquid taste:** None.

**Liquid smell:** None.

**Maximum adjustment:** Not applicable.

**Notes:** If you do not go to sleep at the end of 24 hours, after drinking this potion, it will be wasted.

**Preparation:** Drink the Twilight Slumber Potion.

**Range:** Imbiber only.

**Resting time:** Not applicable.

**Special:** A Dreamweaver can enter into the dream of one in Twilight Slumber and be with him or her, but the dreamer will have no remembrance of his or her former life.

**Susceptibilities:** None.

**Value:** 100,000 White-gold.
