AUTHOR'S NOTE:

Thank you for purchasing Guardians of Utaemia. I really do appreciate you, and hope you enjoy the game. If you have any questions, or wish to give some feedback, feel free to email me at: selman247@gmail.com

To unzip Guardians of Utaemia:

1. Right-Click the Zipped folder "Guardians of Utaemia.zip"

2. Left-click "Extract all"

3. Left-click "NEXT"

4. Left-click "NEXT" again.

After the files are unzipped:

Double--left-click the "Start Page.pdf" to launch the books. You will need the Adobe Reader to view the files. If you do not have the adobe reader, you can download the free version at: http://www.adobe.com

All the files in my games are set to allow printing for your convenience.
