

# Ring, Shifting:

When wearing this ring, you will be able to fully shape-shift in the same turn as you attack (that is, if you have the ability to shape-shift). Reagent: 1 Tigers Eye gem of no less than 30 gold value.

**Special:** This ring will have a 25% chance of being the Shape-Shifting Ring, which will gift you with the ability to shape-shift into a random race, other than your own. If you are slain while wearing the Shape-Shifting Ring, you will rise again on the beginning of the next turn as that race type, fully healed. If this happens, the ring will vanish forever.
