

# Jahthein, Explanation of:

Jahthein means higher being. Jahthein are characters and creatures that have attained 32nd to 61st level. The status of Jahthein does not imply some existence of untouchable mystery. The Status of Jahthein means that a character or creature has attained 32nd to 61st level.

Advancing a level as a Jahthein is done exactly the same way any character does; by gaining experience. Jahthein bonus: +30 Defense and Offense will be added to all characters that are Jahthein.
