

06-07

Random dead creature found (full encounter -- all are dead). There will be no treasure items or coins, but the bodies will be present.

Roll up one random encounter, using the setting chart for the region you are traveling within, the most powerful of 3 checks. It will be a single creature, responsible for the dead creature found. It may be watching.

Roll for decomposition on the following chart:

%Roll: Decomposition:

01-50: Fresh kill	There will be a 50% chance for the predator that killed this encounter to be observing.
-------------------	---

51-100: 10-100%	Decomposed (roll 1-D10 x10). There will be a 25% chance for the predator that killed this encounter to be observing.
