

# Animal Creatures Studies

This study will give a basic knowledge of one Animal Class creature (not different breeds of Animals within a species).

Modification Point cost: 2

## Information known about a specific Animal will be:

Characteristics (Awareness, Charisma, Constitution, Coordination, Dexterity, Intelligence, Mental-strength, Strength and Wisdom), Description, Dislikes, Disposition, Fears, Habits, Immunities, Life-Span, Likes, Needs, Special Abilities, Special Defenses, Special Offenses, Susceptibilities and Weapon Susceptibility.

## Example:

If you chose Animal Creature Studies, and pick a bear, you would have to specify exactly which breed of bear you wished to have knowledge about (i.e., Common Black Bear, Common Brown Bear, Etc.).

This ability can be purchased multiple times to have knowledge on many different breeds of animals.
