+40 to successfully create a new food type

Modification Point cost: 40

Prerequisite: +30

+45 This will gift the Baker with a 95% chance to create a new item. This form of Baker can also create magical food items as long as he or she is a caster and can use one of his or her own personal spells to do it.

Modification Point cost: 45

Prerequisite: +40

Example:

If a Baker has the spell "Charm", a delicious bread could be baked that would charm the one it is given to. This form of magical food is only potent so long as it remains fresh.

Once the food becomes old, or no good, the magic will fade.
