# Explanation

This root is highly sought after by herbalists, doctors, and healers. It's aid in helping the infirm to heal has made it a highly valuable asset to the healing arts.

**Area of influence:** Person who eats the root.

**Damage:** None.

**Duration of effects:** 72 hours. Taking more than one use of Takkrin root will not make immunities to sickness and disease, stronger by any means. It just wastes the root.

**Effect time:** 24 hours. 24 hours after consuming Takkrin, 2 avoidance-rolls vs. sickness or disease can be rolled for (this root can only be eaten once per 72 hours).

**Effects:** Only that a persons immunity to sickness and disease will peak, thus the chance to successfully overcome "Disease" and "Sickness" is given.

**Healing:** Only that by using this root, one's immune system will strengthen.

**Immunities:** None.

**Maximum adjustments:**

**Overdose symptoms:** None.

**Range of influence:** Person who eats the root.

**Resting time:** None.

**Side effects:** Heavy slumber will occur.

**Used for:** Aids in curing sickness and disease.

# Preparation

Crush Takkrin root into a paste. Mix it with any type of edible substance. The root will cause liquids and foods to turn a blackish color. When mashed into a pulp, let it dry. When needed, shave a pinch off into a drink, or granulate it into food.

**Avoidance-roll:** None. This root will strengthen the sick. When eaten, 2 avoidance-rolls vs. sickness or disease can be attempted. If the avoidance-roll is successful, complete healing will occur.

**Measurement per use:** A piece the size of a 1 karat pearl is sufficient.
