

Kazar, Explanation of:

Kazar is one single creature in an entire species that is the caretaker of that species.

It holds the title of Jahthein, yet also has a special title: “Kazar”. **THERE IS ONLY ONE KAZAR IN EXISTENCE AT ANY GIVEN TIME** per species. They are the protector and complete ruler of a species of creature.

Example

The Jahthein called the Saga Natur is the Kazar and supreme ruler of all species of living trees. This means that all trees upon the face of the earth heed the Saga Natur’s command.
