# Damage-Reduction, Explanation of:

Damage-Reduction indicates less damage will be taken when effected by an attack, due to a natural toughness.

## Example:

Damage-Reduction: 6 vs. physical attacks.

Physical attack damage taken will be lowered by 6. The first 6 points of damage taken will be turned, or negated.

Note:

Any time Damage-Reduction is mentioned in any information, it will state what the Damage-Reduction will be a protection against.

  Damage-Reduction can be a protection against many things.
